Mrs. Betsey Streeter had been afflicted with a severe and relentless cough, which reduced her very low; so low that little hope could be entertained o her recovery. Numerous remedies had been tried without effect, before the CHERRY PECTORAL. And that has cured her. George Watkinson Esq., had to our knowledge been afflicted with Asthma, for eleven years, and grown yearly worse, until the CHERRY POCTORAL has now removed the disease and he is as free from any of its symptoms as we are. The Rev. Mark Dane had been so severely attacked with the Bronchitis, as to disable him from his duties, and othing had afforded him relief until I (Mr. Thorning) carried him a bottle of your PECTORAL, which cured him at nce, and he now officiates as usual in his place. These are three of the cases in which we have known it accessful, but never to fail. We have great pleasure in cer-
